

Campbell County Kentucky

CORONAVIRUS (COVID-19)

08 April 2020

COVID-19 / Campbell County IAP / Briefing (SITREP #13)

**CAMPBELL COUNTY, KENTUCKY
ALL-HAZARDS EVENT BRIEFING FOR
COVID-19 ~ APRIL 08, 2020**

SITUATION REPORT #13

PURPOSE:

The purpose of this all-hazards event planning briefing is being provided for guidance and to prepare for the planning sequence for Coronavirus (COVID-19).

It is expected that further international exportation of cases may appear in any country, state, county, and city. Thus, all communities should be prepared for containment, including active surveillance, early detection, isolation and case management, contact tracing and prevention of onward spread of COVID-19 infection, and to share full data with community leaders.

Coronavirus disease 2019 (COVID-19) is a respiratory illness that can spread from person to person. The virus that causes COVID-19 is a novel coronavirus that was first identified during an investigation into an outbreak in Wuhan, China.

SITUATION REPORT FOR CAMPBELL

The Campbell County Office of Emergency Management is continuing efforts to prepare for the likelihood of more COVID-19 illness coming to Campbell County and monitoring events as they evolve by maintaining an open dialog with the Northern Kentucky Health Department and the Kentucky Division of Emergency Management. Correspondence with the Northern Kentucky Health Department remains fluid with routine updates as necessary. The Kentucky WebEOC incident name "2020- 0467-Novel Coronavirus (COVID-19)" has been establish with daily Commonwealth SITREP's and county updates. KY WebEOC: <https://webeoc.kyemweb.com:8232/eoc7/>

April 6, 2020

OEM / EMA participated in the daily telephone conference call with Northern Kentucky Health Department, Doctor Saddler, Campbell, Kenton, Boone, Grant County Judge Executives and Emergency Management (OEM / EMA) Directors.

OEM / EMA met with Northern Kentucky University Officials and St. Elizabeth Healthcare Officials.

OEM / EMA participated in a webinar briefing with the Campbell County Fire Chiefs.

CAMPBELL COUNTY SITUATION REPORT

CONTINUED

April 6, 2020

OEM / EMA participated in the daily conference call with the City of Cincinnati Officials, Hamilton County Ohio Emergency Management Agency and the Regional Operations Center (ROC) Officials.

OEM / EMA met with Northern Kentucky University (NKU) Officials to finalize details of utilizing the dorms as a quarantine location and a separate location for "WHO HAS NOT" been exposed for our First Responders. Further to follow as details are finalized.

The Northern Kentucky Health Department, Stella Barber, SNS Coordinator ask if OEM / EMA could pick up PPE Kits and Gloves and drop off at Carmel Manor in Fort Thomas and Coldspring Transitional Care Center in Cold Spring, KY. Also advised they had 10,000 N95 Mask that the strings had dry-rotted but they had purchased heavy duty rubber bands so they could be refitted and used for our First Responders. Total Inventory of items picked up to be used for our First Responders is as follows.

10,000 N95 Mask / 10,000 Rubber Bands / 75 Universal Gowns / 250 Safety Glasses / 200 replaceable safety glass lenses.

The following Fire Chiefs advised they would take some of the mask, rubber bands and have their staff refit with the rubber bands. The below departments received the following.

Fire Department Bellevue Dayton / 1,050 N95 Mask and Rubber Bands

Fort Thomas Fire / 1,050 N95 Mask and Rubber Bands

Newport Fire/EMS / 1,050 N95 Mask and Rubber Bands

Central Campbell County Fire / 1,050 N95 Mask and Rubber Bands

Alexandria Fire District / 1,050 N95 Mask and Rubber Bands

Southern Campbell Fire / 1,050 N95 Mask and Rubber Bands

All of the above PPE has been delivered.

April 7, 2020

OEM / EMA participated in the daily telephone conference call with Northern Kentucky Health Department, Doctor Saddler, Campbell, Kenton, Boone, Grant County Judge Executives, Emergency Management (OEM / EMA) Directors and St. Elizabeth Healthcare.

OEM / EMA participated in the daily press briefing with Governor Andy Beshear.

CAMPBELL COUNTY SITUATION REPORT

CONTINUED

April 7, 2020

OEM / EMA requested through WebEOC to the Kentucky Transportation Cabinet to utilize COVID-19 messages on the interstate sign message boards. TRIMARC controls the Northern Kentucky message boards on the interstates. They are going to increase visibility of the COVID-19 messages that was approved by the Governor's Office. If traffic is flowing normally, you should see more of the COVID-19 messages instead of travel times.

The Campbell County Clerk's Office request 50 surgical (tie-on) mask. Mask were delivered.

Fort Thomas Fire requested 4 boxes of rubber bands for the refit of the N95 mask they received yesterday.

TEAM KENTUCKY COVID-19 HEALTH TIPS

When To Seek Care

To ensure the sickest people receive care, help minimize the spread of infection and maintain resources, please follow the guidelines below when considering whether to seek medical care.

Stay home	Call for advice	Seek care
If you are worried-well, please stay home or call the Kentucky State Hotline (1-800-722-5725). Going to a hospital or doctor's office adds to a higher concentration of people and further overwhelms medical staff.	If you are ill, but would not have sought care if not for COVID-19, do not seek in-person care at an ER, hospital or doctor's office. Instead please call your local healthcare provider or local health department.	If you are sick and feel you have an emergency, please call your doctor or seek medical care. Hospitals and medical staff across the commonwealth stand ready to serve you.

Please visit kycovid19.ky.gov for the latest updates on COVID-19 in Kentucky or call the Kentucky state hotline at 1-800-722-5725
